

# Lake City Urban Design Framework :: study area and DRAFT ideas

The urban design framework (UDF) will guide future development and strengthen partnerships.

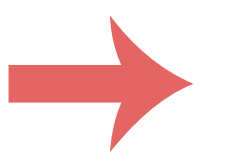

Policy changes may include:

- Comprehensive Plan updates
- Zoning
- Design concepts

## hearts, gateways, opportunities

-  civic heart
-  physical heart/key intersection
-  Thornton Creek gateways
-  opportunity sites
-  key pedestrian connections & potential thru-block connections
-  parks
-  hub urban village boundary

-  hub urban village boundary
-  secondary planning areas
-  community institutions
-  Olympic Hills Greenway
-  pedestrian improvements planned in SDOT's traffic safety corridor project
