| 1 | <p>Questions(s): Hello! I would like to apply for the RFI Telehealth Services for Students & Youth. I've followed the directions to set up an account in Submittable and have been able to access the platform. However I cannot seem to locate the application for this specific RFI. Could you point me in the right direction by sharing the exact title of the application or share a link directly to the application?</p> | <p>Answer(s): Applicants can access the application through the Submittable portal: Access Submittable Application Portal. Please scroll down to the bottom of the page for the direct link to the Telehealth Services for Students & Youth RFI application.</p> <p>This link is available in the "How to Apply" section of the Telehealth Services for Students & Youth - Education seattle.gov website</p> | <p>Sent: Tuesday, July 16, 2024 11:32 AM To: DOE_DEELFunding <DEELFunding@seattle.gov></p> | 7/17/24 |
| 2 | <p>Questions(s): ACRS is interested in this RFI and we missed the information session on 7/10. Is there a recording for the information session for 7/10 you might be able to share.</p> <p>We are also curious about what the potential amount for RFP will be like when it is rolled out later in September.</p> | <p>Answer(s): Applicants can watch the recording for the Information Session and also view the slide deck from the session.</p> <p>The amount of the RFP in September is contingent upon findings from the RFI response analysis and may vary depending on the number of providers selected through the RFP process.</p> | <p>Sent: Wednesday, July 17, 2024 5:00 PM To: DOE_DEELFunding <DEELFunding@seattle.gov></p> | 7/22/24 |
