

# JOIN US AT THE MORGAN JUNCTION FESTIVAL!

We need to hear from you! Seattle Parks and Recreation is designing an addition to Morgan Junction Park. Please stop by and visit Seattle Parks and Recreation's Planner and project manager to provide ideas for the development of the lot right next to Morgan Junction Park.

We will be hosting a booth in partnership with the Morgan Junction Community Association (MoCA) at Morgan Junction Festival to show park design features and hear what you would like to see in the new expanded park.

Seattle Parks and Recreation purchased the property at 6311 California Ave SW in 2014 to expand Morgan Junction Park and provide additional open space for the West Seattle community.
