

# Nantes Park

## *Beautification Project*

The Seattle-Nantes Sister City Association (SNSCA) is working with Seattle Parks and Recreation and the Admiral Neighborhood Association to gather feedback on designs and art installations to beautify the park and create an accessible and safe communal space that reflects the sister city relationship with Nantes, France.

SNSCA has contracted French children's author and illustrator Claude Ponti for designs on the park walkway and art installations in the park. **Your input and support are essential to selecting the final design.** We will be holding Community Review Workshops to discuss the designs and we hope to see you there!
