

UPDATE!

PLEASE PROVIDE INPUT FOR VIEW RIDGE PLAYFIELD PLAY AREA RENOVATION

Seattle Parks and Recreation invites your whole family to join the project team to pick out play area equipment and provide input on the design for the renovation of View Ridge Playfield Play Area.

This project will replace the play equipment and drinking fountain, and provide an accessible route between the park entrance,

comfort station, and play area at View Ridge Playfield, 4408 NE 70th St. The play equipment will include play structures and seating for children of all abilities ages 2 to 12. Seattle Parks and Recreation looks forward to working with the community on the design.

► DATE CHANGE!
WEDNESDAY APRIL 19, 2023
5:30-6:45 P.M.

VIEW RIDGE ELEMENTARY SCHOOL, CAFETERIA, 7047 50TH AVE NE

Funding for this park project is provided by the Seattle Park District.
