“Missing Link” Bike Route Study on NW Market St - Leary Ave NW – 17th Ave NW

FACT SHEET
July 2023

We’re launching a design and public engagement process to learn what a bicycle route through Ballard using 17th Ave NW, Leary Ave NW, and NW Market St would look like and mean for community members and businesses. This early design will result in a concept only at this point.

For updates and opportunities to give feedback, visit our website and sign up for the mailing list.

Project

The newly proposed route would extend along NW Market Street two blocks east from 24th Ave NW and then run along Leary Ave NW to 17th Ave NW where it re-joins the existing Burke Gilman Trail.
