New Holly Connection

Seattle
Department of
Transportation

The Wing Luke Elementary School Neighborhood Greenway (New Holly Connection) provides safer, calmer neighborhood connections for people walking, biking, and rolling. This Neighborhood Greenway was created based on community recommendations from the New Holly Home Zone Process. It connects sections of the Chief Sealth Trail and the S Kenyon St Neighborhood Greenway to the growing network of Protected Bike Lanes, trails, and Neighborhood Greenways.

New Holly Home Zone

The New Holly Home Zone is a community-led initiative to improve safety for people walking and rolling in the New Holly neighborhood. In 2023, community members approved the final Home Zone, which will be constructed through 2025. Learn more here: www.seattle.gov/transportation/home-zone
