A NEIGHBORHOOD GREENWAY IS COMING TO YOUR NEIGHBORHOOD!

The following street improvements on S Webster St will begin as soon as November 2023:

- Install speed humps/ cushions on S Webster St between 43rd Ave S and 45th Ave S
- Stop signs with stop bars on sidestreets entering the Neighborhood Greenway
- Tree trimming and sidewalk smoothing
- Install signs and markings for wayfinding

We are excited to announce that we are **starting construction on the Othello Park Neighborhood Greenway from as soon as November 2023!** We will be installing the Neighborhood Greenway in stages, starting this fall and finishing in 2024.

When construction is set to begin, “no parking” signs will be placed along this street in certain locations. **Please move your vehicles during the “no parking” timeframes, otherwise it will be towed.**

Overview

This section of S Webster St from 43rd Ave S to 45th Ave S has been identified as a key component to the larger neighborhood greenway network.

The Othello Park Neighborhood Greenway will provide a safe connection for students to schools in the neighborhood, and for people who walk and bike to other community destinations.

WHAT TO EXPECT DURING CONSTRUCTION:

Typical construction hours are weekdays, 7 AM to 5 PM, with occasional weekend and night work. Other expected construction effects may include:

- Temporary driveway impacts
- Noise and vibration
- Dust and debris
- Construction staging and parking impacts near the work sites
- “No Parking” areas and other parking impacts
- Crosswalk and sidewalk closures, and detours for people walking and biking
- Roadway closures and detours for vehicle traffic
- Changes in construction schedule due to unforeseen circumstances (i.e., weather, soil conditions, etc.)

Visit our webpage to learn more about this project and our anticipated construction schedule.
