

Asphalt Paving on SW Avalon Way to begin as soon as Monday, September 23

Crews are preparing to pave SW Avalon Way between SW Spokane St and 35th Ave SW (see map on next page).

Crews will begin work as early as Monday, September 23 and Tuesday, September 24. Work is weather dependent and subject to change

Work hours from 7 PM – 7 AM. Crews have a temporary noise variance for night work.

- **On Monday, September 23** crews anticipate paving the **west half of SW Avalon Way** starting at SW Spokane St and traveling south to 35th Ave SW
- **On Tuesday, September 24** crews anticipate paving the **east half of SW Avalon Way** starting at SW Spokane St and traveling south to 35th Ave SW
 - Pavement takes up to 3 to 4 hours to cure
 - Crews will open driveways as they are ready.
 - Anticipate driveway and parking access to be impacted for a minimum of 1 night
- **Traffic on SW Avalon Way will be maintained with one lane in each direction**
- Emergency access will be maintained at all times during this work.

Example of crews paving the street

WHAT TO EXPECT DURING PAVING

- **You will NOT be able to go in or out of driveways or parking gargaes** when the road is closed and paving is in process from 7 PM to 7 AM
- **Please use driveways and side streets when trying to park** and walk to homes and businesses if you need to leave before 7 AM
- **Expect noise, tar-like odors, and large equipment**
- **Fresh pavement is hot, oily, and extremely sticky.** Please keep off new pavement if you are walking, especially with dogs, as the oil and pavement can harm their feet and be difficult to remove from fur.
- **If you have accessibility concerns or concerns about nighttime paving,** please contact us right away: 206-900-8734

West Seattle Bridge ramps closed at 7 PM

- **West Seattle Bridge on and off ramps at SW Spokane St and SW Avalon Way will be closed on Tuesday, September 24 at 7 PM**
- **Use SW Manning St, Fauntleroy Way SW, or Delridge Way SW to get on or off the West Seattle Bridge**
