

PROJECT UPDATE

RAINIER VISTA PAVEMENT TO PARKS

MURAL REPAINT

PROJECT DESCRIPTION

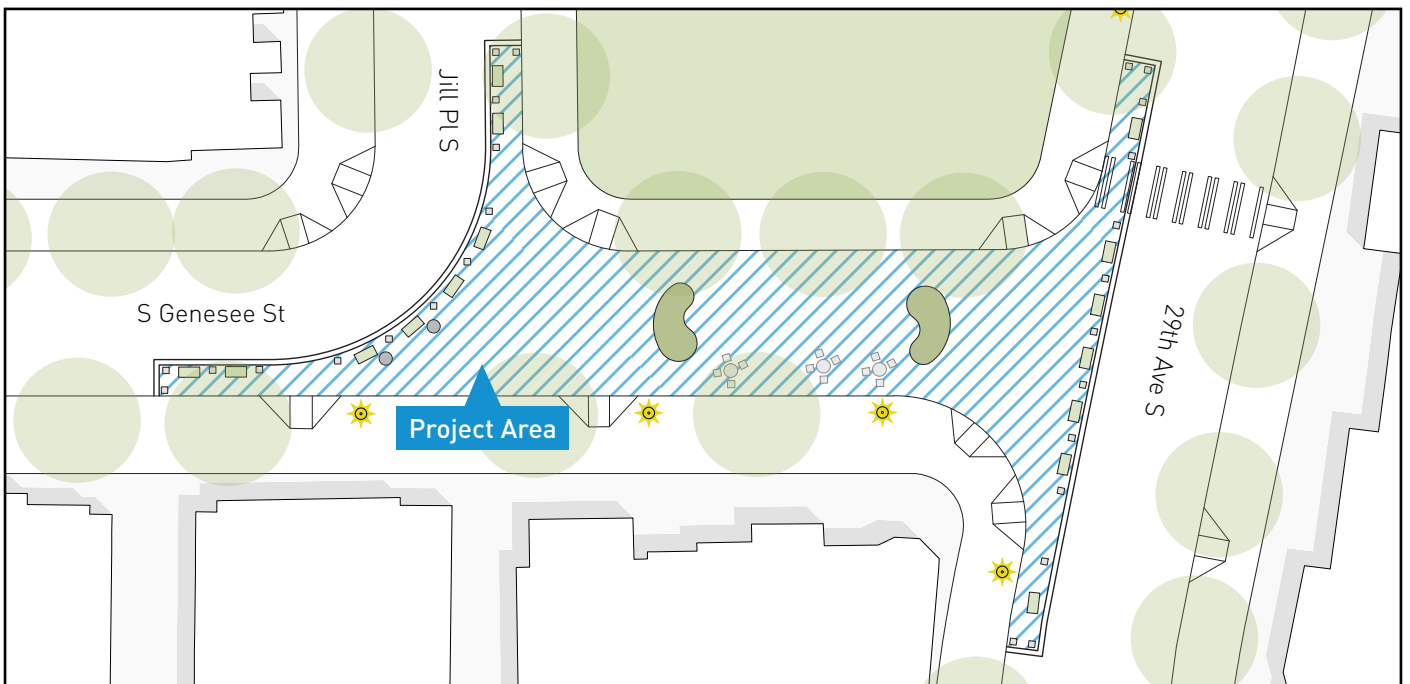

This project is part of the public safety improvements funded by SDOT's Your Voice, Your Choice (YVYC) grant program.

Rainier Vista Community members applied for YVYC funding to make improvements to the existing Rainier Vista Pavement to Parks installation, and were awarded grant funding in 2018. Community stakeholders identified a mural refresh as one of the top priority items for the existing Pavement to Parks installation.

In response to this, Seattle Department of Transportation crews will be repainting the existing mural to help make the space look and feel new again.

PROJECT SCHEDULE

SDOT crews will begin cleaning and prepping the mural to be repainted on Wednesday September 13. Painting will begin on Saturday September 16, and will likely take 3-4 days. Expect the project area to be inaccessible throughout both the cleaning and painting phases.
