

# CONSTRUCTION NOTICE

## N 41st St and Stone Way N Crossing Improvements

As soon as mid-November, we will begin making improvements to the intersection of N 41st St and Stone Way N. We will install new curb bulbs and curb ramps in the existing “no parking” areas at this intersection.

The benefits of these include:

- Safer and more comfortable access for all pedestrians, residents, and businesses in the area
- Improved walking and biking connections to schools and neighborhood destinations

This project is funded in part by a grant from the Washington State Department of Transportation (WSDOT). Additional funding is provided by the 9-year Levy to Move Seattle, approved by voters in 2015. Learn more about the levy at [www.seattle.gov/LevytoMoveSeattle](http://www.seattle.gov/LevytoMoveSeattle).

Permit No. 2871

Neighbors, businesses, and students from Hamilton Middle School frequently use these crosswalks. The improvements we are making will be an addition to the new signage and flashing lights that SDOT already added to this intersection. The curb bulbs will improve visibility of pedestrians using this intersection.

## What to expect during construction

- Typical work hours between 7 AM and 7 PM, Monday through Friday with possible night work
- Typical construction noise, dust, and vibrations
- Temporary parking restrictions
- Temporary pedestrian and bike detours around the work zone and staging area
- Access to business and homes will be maintained at all times
- Work is expected to last 4–6 weeks
