For more information, please contact the DSO at [SPU\\_DSO@Seattle.gov](mailto:SPU_DSO@Seattle.gov) or 206-684-3333. Many of the services listed will require other work to meet system requirements. Project Coordinators will be best able to explain these requirements.

A full copy of the Director's Rule with all charges can be found on SPU [Rules And Policy](#) Page, FIN-220.2. Prices for services in the City of Burien will be higher to cover local utility taxes levied by the City of Burien.
